

PROMAR PORTABLE FRIDGE FREEZER
TECHNICAL SPECIFICATION

DC 12V/24V Portable freezer/chiller fridges

up dated 13 09 2010

Capacity	Picture	Features	Specification
30 LITRES		<p>*Designed for your car, 4WD, boat, deep cycle battery, solar panel to battery, and mains power (240V) via adaptor.</p> <p>*Low power consumption – low drain on your vehicle/dual/deep cycle battery.</p> <p>*Battery anti discharge protection – protects your vehicle from flat batteries.</p> <p>*Direct connection to 12/24V DC battery – charged from your vehicle or solar panel.</p>	<p>Power consumption:48W Power Voltage:DC 12/24 Refrigerants:R134a CFC-free polyurethane foam Cooling performance:-18°C to +10°C Loading capacity: 30Liter Product size:650*400*380mm N.W/G.W:18 /20kg</p>
45 LITRES		<p>*Designed for your car, 4WD, boat, deep cycle battery, solar panel to battery, and mains power (240V) via adaptor.</p> <p>*Low power consumption – low drain on your vehicle/dual/deep cycle battery.</p> <p>*Battery anti discharge protection – protects your vehicle from flat batteries.</p> <p>*Direct connection to 12/24V DC battery – charged from your vehicle or solar panel.</p>	<p>Power consumption:50W Power Voltage:DC 12/24 Refrigerants:R134a CFC-free polyurethane foam Cooling performance:-18°C to +10°C Loading capacity: 45Liter Product size:650*400*430mm N.W/G.W:21 /23kg</p>

<p>60 LITRES</p>		<p>*Designed for your car, 4WD, boat, deep cycle battery, solar panel to battery, and mains power (240V) via adaptor. *Low power consumption – low drain on your vehicle/dual/deep cycle battery. *Battery anti discharge protection – protects your vehicle from flat batteries. *Direct connection to 12/24V DC battery – charged from your vehicle or solar panel.</p>	<p>Power consumption:55W Power Voltage:DC 12/24 Refrigerants:R134a CFC-free polyurethane foam Cooling performance:-18°C to +10°C Loading capacity: 60Liter Product size:650*400*520mm N.W/G.W:41 /37kg</p>
<p>Adaptor</p>		<p>Mains adaptor for problem free connection of compressor 12/24volt fridge to the 230volt mains.Ideal for use at home,in hotels,at campsites,in holiday homes etc. Quality features: Switch mode,automatic priority for mains operation</p>	<p>Input voltage:230volt voltage:12/24 volt DC load:6A Output Continuous</p>
<p>Insulation bag</p>		<p>Makes your portable fridge fit for tough challenges.The cover protects the valuable appliance from moisture,dust and dirt.It also provides effective insulation for your fridge.</p>	<p>Material outside:High quality silver-grey Oxford nylon,lid and base in robust,rubber coated,black nylon Material inside:Aluminium coated polyester Quality features:Detachable lid and base,outside pockets to store small itemfour fixing ring to secure the box safely in the vehicle.</p>

<p>Universal fixing kit</p>		<p>For fastening portable fridge 30,45and 60 litres in vehicles. firm and secure hold in the vehicle</p>	<p>Material/colour:Powder coated metal Colour:Black Scope of delivery:Two frame sections,adjust strap with snap lock,set of screws</p>
